DEAR SUPPORTERS,

It's been just shy of three months since I joined Piedmont Education Foundation as Executive Director. In that short time, I have witnessed the passion of our volunteer corps and the amazing work accomplished by the Giving Campaign, SCRIP and Spring Fling teams; I have learned the complexities of our SCRIP program; and have been awed by the unflagging generosity of our community on behalf of our schools. I am both proud and humbled by the sheer capacity before us.

Over the next few months my priorities will be focused on preparing for next fall. Together with the PEF Board of Directors, we will embark on several strategic initiatives focused on building community engagement, donor stewardship, and operational excellence. New campaign chairs will be confirmed and our exciting organizational evolution will continue.

Enjoy your spring and thank you again for your commitment to our amazing schools.

THANK YOU

from PUSD

Dear Friends and Families of the Piedmont Unified School District,

On behalf of teachers, principals and staff throughout our schools, I extend a heartfelt thank you to the Piedmont Education Foundation and our community for its generosity and support of our schools.

Funding from PEF matters at all school sites and grade levels. It matters to teachers and staff who are committed to making a difference in the lives of their students. It matters to the lives of all students every day and over time, as they mature and grow into young adults.

California schools are still ranked near the bottom of the country for per–pupil funding and teacher–student ratio. Yet the support of PEF helps PUSD provide students with exceptional teachers and staff, smaller class sizes, elementary classroom aides, middle and high school electives, and essential support services provided by the Wellness Center and the high school College and Career Center.

Your gift through PEF will have a powerful, direct impact on all students in the year to come. I am deeply grateful to our community for generously supporting our schools.

Sincerely,

RANDALL BOOKER
