INITIATIVES FUNDED BY PEF

- ① **K-12 TEACHER EVALUATION PROCESS:** PEF funding has enabled Piedmont to put in place a groundbreaking teacher evaluation process throughout its schools – leading the way for other districts.
- ② **K-12 PROFESSIONAL DEVELOPMENT WORKSHOPS:** These workshops facilitate the integration of the new federal and state-mandated Common Core curriculum.
- ③ **SHAPING OUR FUTURE 2.0:** With a focus on vision and values, this weekend workshop held last October for community, parents, teachers, staff and students, was a coordinated series of collaborative discussions about what a Piedmont graduate will need to be successful in our rapidly changing world. Input from the workshop will have direct impact on the 2014-15 District goals, and help to satisfy new state regulations for community engagement in planning and budgeting. Our vision themes are:

- ④ **GRANTS FOR EXCELLENCE IN TEACHING:** This is a block grant so that teachers may pursue their personal best in the classroom by exploring new pedagogy, ideas, and curriculum for their students.
- ⑤ **CAPITAL NEEDS:** PEF has helped the District provide safe and up-to-date facilities and teaching spaces:
 - The PMS Learnscape was developed by a student and makes use of a previously little-used area for much needed outdoor lunch and socializing, while doubling as a “green” teaching space.
 - The Alan Harvey Theater is the last of the District facilities in need of significant modernization, access, life-safety upgrades as well as adequate teaching space.

{ Endowment Fund balance reflects donations, investment earnings and changes in market value reduced by distributions to PUSD. Annual distributions were made equal to 5% of the average fund balance for the previous three years. }

Values as of June 30 end of fiscal years 2004-2013 and March 31, 2014 for 2014.

LETTER FROM PEF

OUR MISSION: We are a community-based organization whose mission is to promote academic excellence, champion innovation, and provide sustained financial support to the Piedmont Unified School District.

Dear Piedmont Schools' Patrons,

How fortunate we are to live in a community that collectively values public education, and the children of today and tomorrow! We write this letter with enormous gratitude for your support and generosity for our schools. Whether you gave to the Endowment or to the Foundation Fund, your contribution supports Piedmont Unified School District programs that directly impact students from kindergarten through 12th grade.

THE ENDOWMENT FUND PROVIDING A STABLE SOURCE OF FUNDS FOR ESSENTIAL K-12 PROGRAMS

The Endowment is now at \$5.6 million—and we are now setting our sights on \$10 million! The District continues to look to the 5% annual distribution from the PEF Endowment for a steady and reliable source of flexible funding for essential services, including counseling and libraries, programs which have long been abandoned by many other California districts.

As the Endowment has grown at a steady pace, so too have the distributions, from \$47,000 in 2002 to \$219,873 in 2013. This is a sustained record of substantial support, and is critical to easing the instability and unreliability of state revenues. With markets on the rebound, the Endowment has proven to be a powerful tool in generating significant revenues. Each gift to the Endowment helps to ensure the continuing excellence of Piedmont's schools in perpetuity.

FOUNDATION FUND ANNUAL SUPPORT FOR TEACHING INNOVATION & EDUCATIONAL INITIATIVES

PEF's support of continuing professional development for teachers has a meaningful impact on instructional practices and student outcomes. Developing teachers and staying abreast of the rapid-fire changes taking place in the educational world requires vision, dedication, time and money. (Recently funded initiatives are highlighted on the facing page.)

Thanks to you and all our Patrons, PEF is able to make a difference in classrooms throughout our District, helping to maintain the kind of education that produces well prepared, curious and creative students, ready to face the challenges of our increasingly complex world.

Thank you again for your generosity to the Piedmont schools.

All the best,

MARY IRELAND

DRESS BEST FOR LESS

Did you know that Dress Best for Less is one of the largest donors to the Piedmont Educational Foundation every year? Over the last ten years, DBFL has donated over \$450,000, helping to underwrite grants supporting teacher growth and innovation across the District. Thank you, DBFL!

PEF presidents Nancy McHugh (2012-13) and Mary Ireland (2013-14) happily accept a generous donation of \$60,000 from DBFL representative Huldah Hodgkinson (center).

PATRON PROFILE

Cameron & Fran WOLFE

"One of the best things about the Piedmont Education Foundation (PEF) is that it has made activists out of its many directors over the years. These folks have formed the core leadership for generating strong citizen support for public education in Piedmont. The efforts of these volunteers have continued long after their children have completed their Piedmont Unified School District education. Amazingly strong Piedmont schools have been the result."

EDUCATION SPEAKER SERIES

PIEDMONT UNIFIED SCHOOL DISTRICT

The Education Speaker Series is a collaboration of the Piedmont Unified School District, the Piedmont Adult School, the Associated Parent Clubs of Piedmont, and the Piedmont Education Foundation with additional support from the Piedmont Parents Network. The purpose of the Series is to present a variety of topics that relate to raising healthy children and young adults. Whenever possible, speakers are featured who provide a professional development program for educators in addition to parent education.

MESSAGE FROM THE DISTRICT

Dear Friends and Families
of the Piedmont Unified School District,

We extend a heartfelt thank you to our community for supporting our schools with contributions to the Associated Parent Clubs of Piedmont (APCP) or the Piedmont Educational Foundation (PEF) – or both!

While the state is slowly emerging from the recent economic recession and we do not anticipate budget cuts in the near future, California continues to rank 48th in the nation for student spending. This means quality education in Piedmont is still heavily dependent on the generosity of Patrons like you.

Whether you contributed through APCP's parent clubs to support critical ongoing program at your child's school this year, or through PEF's Foundation Fund for K-12 grants for innovative programming and professional development, or invested in PEF's Endowment whose distributions help to provide stable funding in perpetuity, you have been a partner in our ability to provide the kind of quality education all students need and deserve.

Your generosity is felt at all school sites and grade levels. It is inspiring to teachers and staff who are committed to making a difference in the lives of their students. You contribute to all students every day and over time, as they mature and grow into young adults.

We are ALL honored by your generosity.

DISTRICT KEY INITIATIVES

Common Core We are continuing our COMMUNITY OUTREACH efforts and providing teachers the PROFESSIONAL DEVELOPMENT OPPORTUNITIES to insure a successful implementation of the new Common Core standards in grades K-12.

Social-Emotional Learning & Support

We have implemented a SOCIAL EMOTIONAL curriculum at the three elementary schools called Second Step so that all students have the opportunity to learn responsibility, empathy and compassion as they prepare to come together at the middle school. We continue to expand our SERVICE LEARNING programs at the middle school and high school. In addition, the Wellness Center provides invaluable support to students via counseling and peer OUTREACH.

Parent Engagement

We continue to COLLABORATE closely with parents and community as we discuss CHANGES and continuous IMPROVEMENT in program. The opportunities for engagement are many throughout the year. We collaborate with parents to host the Education Speaker Series as we work together with families to SUPPORT STUDENTS.

Since this past September, we have held more than **75** public meetings and discussions.

Computer Science and Technology

We recently became one of the FIRST districts in California to adopt the Computer Science Teachers Association's K-12 Computer Science Standards, which align with the Common Core curriculum and will enable us to IMPROVE OUR COMPUTER SCIENCE teaching at all grade levels. Installation of the technology infrastructure in our schools provides the FOUNDATION and FLEXIBILITY to adapt to innovations as they are available to our students.
