

The Piedmont Education Foundation wishes to thank these parents, grandparents, community members and businesses for their generous support of our schools. We are very excited to say that we have reached our goal of \$2.205 million and are grateful for their dedication to our schools and to public education.

The Giving Campaign only covers half of the PUSD budget shortfall of \$4.4 million, so we will continue to accept donations to help bridge the gap. It's not too late to make a difference. A donation of any size supports teachers, staff and programming and with YOUR help, our schools will continue to provide a strong and innovative academic program to all students.

Make your donation today at PiedmontEdFoundation.org/donate or by calling 510-653-1816.
