INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Piedmont Education Foundation
Piedmont, California

Opinion

We have audited the accompanying financial statements of Piedmont Education Foundation (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Piedmont Education Foundation as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Piedmont Education Foundation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Piedmont Education Foundation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Piedmont Education Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Piedmont Education Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited Piedmont Education Foundation's 2021 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated February 22, 2022. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

PIEDMONT EDUCATION FOUNDATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Description of Organization - Piedmont Education Foundation (the Foundation) is a California community-based nonprofit corporation founded in 1975. The mission of the Foundation is to provide sustained financial support to Piedmont schools through fundraising and community engagement. This mission supports the Foundation's vision of a school district that has the resources needed to provide students with an outstanding education in a supportive and inclusive environment.

Basis of Accounting - The financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles (GAAP), and accordingly, reflect all significant receivables, payables and other liabilities.

Basis of Presentation - The Foundation reports information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions - Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Foundation. These net assets may be used at the discretion of the Foundation's management and the board of directors.

Net assets with donor restrictions - Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Foundation or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Measure of Operations - The statement of activities reports all changes in net assets, including changes in net assets from operating and non-operating activities. Operating activities consist of those items attributable to the Foundation's ongoing program services and interest and dividends earned on investments. Non-operating activities are limited to resources that generate return from investments and other activities considered to be of a more unusual or nonrecurring nature.

Revenue Recognition - The Foundation recognizes revenue on the accrual basis of accounting. The Foundation's primary revenue sources are its annual giving campaign, grants and awards from local foundations and donations from individuals and corporations.

Contributions are recognized when the donor makes a pledge to give that is, in substance, an unconditional promise. Contributions are recorded as net assets without donor restrictions or with donor restrictions depending on the nature of donor-imposed restrictions, if any, and upon whether the restrictions are met in the current year.

Donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restriction are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Donations in-kind - In-kind donations are recorded at their estimated fair market value on the day of donation. Contributed services, which require a specialized skill which the Foundation would have paid for if not donated, are recorded at their estimated fair market value at the time the services are rendered. During the year ended June 30, 2022, the Foundation received in-kind donations totaling \$49,298. Donations were various items including gift certificates and entertainment packages. These items were auctioned during special events to provide support for related school programs. The Foundation used the auction proceeds as the fair values for donated items. In-kind donations are included in special events in the statement of activities and are offset by like amounts included in expenses. The Foundation also received donated services that do not require expertise but which are nonetheless central to the Foundation's operations. These contributed services are not reflected in the financial statements.

Cash and Cash Equivalents - For purposes of the statement of cash flows, the Foundation considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

Investments - The Foundation carries investments in marketable securities with readily determinable fair values in the statement of financial position as reported by the investment broker. Unrealized gains and losses resulting from market fluctuations are included in the statement of activities in the period such fluctuations occur. Dividend and interest income are accrued when earned and recorded as unrestricted revenue unless income is restricted by the donor.

Pledges Receivable and Allowance for Doubtful Pledges - Pledges receivable consist of unconditional promises to give. Unconditional promises to give that are expected to be collected in more than one year are recorded at the present value of their future cash flows. An allowance for doubtful pledges is recorded, as considered necessary, based on management's analysis of specific unconditional pledges and on the Foundation's prior experience. As of June 30, 2022, there was no allowance for doubtful pledges.

Scrip Inventory - Inventory is valued at lower of cost or market and consists of gift certificates.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Functional Allocation of Expenses - The costs of providing program and other activities have been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated among the program and support services benefited based on management's estimate. The significant expenses that are allocated include salaries and related expenses, which are allocated based on estimates of time and effort, as well as credit card fees, printing and publication, professional services, and software and licensing, which are allocated based on estimates of usage.

Income Taxes - The Foundation is exempt from federal and state income taxes under section 501(c)(3) of the Internal Revenue Code and Section 23701(d) of the California Code. The Foundation is a publicly supported organization. The Foundation's tax filings are subject to audit by various taxing authorities.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value of Financial Instruments - The carrying value of cash and accounts payable approximates fair value due to the short maturity of these instruments. NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Prior Year Information - The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Foundation's financial statements for the year ended June 30, 2021, from which the summarized information was obtained.

New Accounting Pronouncement - In September 2020, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2020-07, Not-for-Profit Entities (Topic 958): Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets. The ASU was issued to increase the transparency of contributed nonfinancial assets through enhancements to presentation and disclosure. The ASU does not change existing recognition and measurement requirements for contributed nonfinancial assets. The ASU is effective for annual reporting periods beginning after June 15, 2021. The Foundation adopted this ASU on July 1, 2021.

New Accounting Pronouncement Not Adopted - In February 2016, the FASB issued new accounting guidance for leases. The new guidance requires lessees to recognize lease assets and lease liabilities for all leases with terms more than 12 months in the statement of financial position and disclose key information about leasing agreements. This new guidance is effective for annual reporting periods beginning after December 15, 2021 with early adoption permitted. The Foundation is currently evaluating the impact of adopting this standard on its financial statements.

Concentration of Credit Risk - The Foundation maintains cash deposits in excess of federally insured limits.

At June 30, 2022, 36% of pledges receivable were from three donors.

Subsequent Events - Subsequent events were evaluated through March 21, 2023, the date the financial statements were available to be issued.

NOTE 2 - INVESTMENTS

Generally accepted accounting principles establish a hierarchy to prioritize the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest ranking to fair values determined using unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest ranking to fair values determined using methodologies and models with unobservable inputs (Level 3). Observable inputs are those that market participants would use in pricing the assets based on market data obtained from sources independent of the Foundation. Unobservable inputs reflect the Foundation's assumption about the inputs market participants would use in pricing the asset or liability developed based on the best information available in the circumstances.

The fair value hierarchy is categorized into three levels based on the inputs as follows:

Level 1 - Values are unadjusted quoted prices for identical assets or liabilities in active markets accessible at the measurement date.

Level 2 - Inputs include quoted prices for similar assets or liabilities in active markets, quoted prices from those willing to trade in markets that are not active or other inputs that are observable or can be corroborated by market data for the term of the instrument. Such inputs include market interest rates and volatilities, spreads and yield curves.

Level 3 - Certain inputs are unobservable (supported by little or no market activity) and significant to the fair value measurement. Unobservable inputs reflect the Foundation's best estimate of what hypothetical market participants would use to determine a transaction price for the asset or liability at the reporting date.

The Foundation's investments recorded at fair value, have been categorized based upon a fair value hierarchy in accordance with generally accepted accounting principles. The following table presents information about the Foundation's assets measured at fair value.

NOTE 4 - BOARD DESIGNATED ENDOWMENT

The components of net assets without donor restrictions at June 30, 2022 are as follows:

Board designated endowment fund	\$ 10,343,651
Undesignated	<u>2,118,349</u>
	<u>\$ 12,462,000</u>

The Board of Directors established the Piedmont Education Foundation Endowment Fund to generate sufficient income from earnings to fund annual needs and to provide a source of funds against possible future financial challenges. The Foundation's policy of appropriating endowment funds for distribution to the school district is to distribute an amount not to exceed 5% of the rolling three-year average of the ending market value as of December 31.

The Foundation considers the following factors in deciding whether to appropriate or accumulate endowment funds: the duration and preservation of the fund, the needs of Piedmont schools, general economic conditions, the possible effect of inflation and deflation, the expected rate of return from income and the appreciation of investments, other resources of the Foundation and the investment policies of the Foundation.

The Foundation has adopted investment spending policies for endowment assets that attempt to provide a predictable stream of funding to the PUSD while seeking to maintain the endowment assets. The Foundation expects its endowment funds over time to provide an average rate of return of at least 6% annually. Actual returns in a given year may vary from this amount.

The following summarizes the activity in the board designated endowment for the year ended June 30, 2022:

Board-designated endowment, beginning of the year	\$ 9,232,002
Investment income, net	1,409,147

The endowments are subject to donor restrictions that stipulate the original principal of the gift is to be held and invested by the Foundation indefinitely and income from the fund is to be expended for the purposes stipulated. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The Foundation is subject to the State Prudent Management of Institutional Funds Act (SPMIFA) and, therefore, classifies amounts in its donor-restricted endowment funds as net assets with donor restrictions until the Board appropriates amounts for expenditure and any purpose restrictions have been met. The Board of the Foundation has interpreted SPMIFA as requiring the maintenance of only the original gift amount contributed to an endowment fund, unless a donor stipulates the contrary. As a result of this interpretation, the Foundation would consider the fund to be underwater if the fair value of the fund is less than the sum of (1) the original value of initial and subsequent gifts donated to the fund and (2) any accumulations to the fund that are required to be maintained in perpetuity in accordance with applicable donor gift instrument. The Foundation has interpreted SPMIFA to permit spending from underwater funds in accordance with prudent measures required under the law. The fund is not currently underwater.

NOTE 5 - NET ASSETS WITH DONOR RESTRICTIONS (Continued)

In accordance with SPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the fund, (2) the purpose of the donor-restricted endowment fund, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Foundation, and (7) the Foundation's investment policies.

The Foundation has adopted investment and spending policies for the endowment assets that attempt to subject the fund to low investment risk. The current spending policy is not expected to allow the Foundation's endowment fund to grow as a result of investment returns. This is consistent with the Foundation's objectives to preserve endowment assets without subjecting them to substantial risk.

At June 30, 2022, the endowment fund is composed of:

Amounts required to be held in perpetuity	\$	20,000
Investment income available for expenditure		28,203
