SUMMER NEWSLETTER

We've made it to the end of another year! We are so proud of the work the Piedmont community has done this year to help support our schools. We launched the year with a strong Giving Campaign that raised over 3 million dollars and in which 62% of Piedmont parents participated. We published our student directory, sold scrip, ran PiedmontStore.org and PiedmontPortal.org, produced a speaker series, supported our nonprofit partners, assisted our schools, and threw several parties, including an extraordinary Spring Fling Gala that raised enough money to keep elementary school libraries open at lunch and the elementary mental health counseling team fully staffed.

Last week we distributed teacher gifts and graduation leis and enjoyed the happy sounds of students embarking on their summer fun. Moving forward, we will be planning next fall's Giving Campaign, reaching out to businesses to sponsor the Directory, switching out our database, and pulling together an annual report. We look forward to welcoming our new board members, the new PUSD administrators, and the new families that will be joining us next year. Thank you all for a productive and enriching year.

Warm Regards,
Amelie Kappes and Heather Frank

FUNDING SURVEY RESULTS

In April, we asked parents & guardians to prioritize their educational focus for their student and school. We are happy to share the results with our community.
